THE OHIO STATE UNIVERSITY

Medical Assistant

Job Description

Job Title: Student Patient Care Assistant

Department: Student Life | Student Health Services

The Patient Care Assistant position will provide upper-classmen in the School of Rehabilitation Sciences, the College of Nursing, or Biological Sciences an opportunity to obtain medical training in a real clinic environment. Guided by a Lead LPN, the Student Patient Care Assistant works with a multi-disciplinary team of physicians and other health care professionals to provide clinical services, primarily to students of The Ohio State University. Performs a variety of clinical and administrative duties based on the needs of the clinic that are educational and will contribute to their growth and development. The duties will include the general duties of a patient care assistant and front desk associate. Some evening and Saturday hours may be available. A minimum commitment of 12 hours/week is required; successful completion of a health screening and background check is also required. Hourly wage of \$10.51 – \$11.50.

Additional Information:

Required: Current student of The Ohio State University, sophomore or greater; Allied Health or Biologic Science major; ability to obtain Basic Life Support certificate (provided once hired); successful completion of a background check and a health screening.

Desired: Previous direct customer service experience or previous experience in health care; excellent verbal communication skills; knowledge of medical terminology, ICD10 and CPT coding training or experience; keyboarding training or experience.
